

# MC CULLOCH B40 B ELITE

Powerful and robust brushcutter made for the home owners' most heavy-duty jobs. High performance OxyPower engine. Comes fully equipped with both trimmer head, grass blade and a combination guard. Efficient work with bullhorn handle, padded double strap harness and one litre fuel tank. Anti-vibration system. Easy to start, featured with Soft Start and purge. Auto return stop switch makes the brushcutter always ready to start. Fast and precise cord feeding with tap n´go function.

## Features for B40 B ELITE

# OxyPower

With the OxyPower engine technology, you can get that extra power to shape nature - without hurting it. This technology offers a better fuel efficiency, meaning more power but also 70% less emissions and 20% lower fuel consumption.

#### Soft start

Makes it easier to start your McCulloch product. Reduces the resistance in the starter cord by up to 40%

# **Purge**

A manual pump which provides the carburettor with fuel and makes the product easier to start with fewer pulls.

# Tap 'n Go trimmer head

Allows fast and precise cord feeding. Tap the trimmer head against the ground while it's spinning, and it will automatically feed the line.

# Bruschcutter blade

This product comes also with a bruschcutter blade.

#### Combination guard

Combination guard to be used with both blade and trimmer head.

1 of 3

#### Clutch

Trimmer head stops spinning when you release the throttle.

#### Tool-less air filter cover

Easy removal of air filter cover without any tools.

#### Padded double harness

A comfortable padded harness with wide straps means less stress on back and shoulders.

#### Auto return stop switch

Stop switch resets to the ON position after shutdown for hassle-free starting.

#### Adjustable handle

Height adjustable handle allows you to find the ideal ergonomic position

### Full anti-vibration system

Full anti-vibration system for user comfort during prolonged use
