Gardening for life

HOZELOCK

Gardening for life

With over half a century of horticultural expertise, at Hozelock we understand the rewards of gardening, and we want to help gardeners get the most from their gardens. We combine a knowledge and passion for gardening with a pride in craftsmanship to develop solutions to help your customer's garden flourish and come to life.

Consumer driven innovation – Designed by gardeners, for gardeners.

For 50 years we have specialised in finding and meeting the needs of gardeners. For 2013, we see the first rewards from our investment into an up-weighted and dedicated Innovation team.

Flexi Spray : Bend it ! Flex it ! Love it !

The magic of the Flexi Spray all happens in the bendy hose section, it is specifically designed for gardeners looking for an all-in-one watering solution. The Flexi Spray can perform a range of watering functions; it's a long reach gun, a sprinkler and a revolutionary way of watering specific areas of the garden.

Growbag Waterer : Grow like an expert.

The easiest way to grow plants in growbags. Simply push a growbag onto the watering spikes, fill the base with water and plant up. The plants will take just the water they need - no pipes, no timers, no fuss.

Flower & Vegetable Waterer : Vegetables in any size of garden

The easiest way to grow veggies, in any size of garden. Simply fill the planter with compost, fill the base with water and plant up. The plants will take just the water they need - no pipes, no timers, no fuss.

The Ultimate Hose : The best by any measure

For where only the 'best' will do. Super Tricoflex™ technology creates a lightweight, anti-kink and anti-twist hose without compromising on robustness. Its silky texture allows it to glide smoothly through the garden, easily manoeuvre and effortlessly wind onto a system without any fuss. It's made from a unique formula that combines both UV and frost protection so this hose is built to last in any weather conditions.

The Bioforce System : Filter system for ponds up to 28,000 litres

Five years ago we created a roadmap to build the best possible filter system available. The Bioforce System consists of three elements:

1. **Aquaforce Pump** : A solid handling pump with proven reliability and ultra low running costs
2. **Bioforce Booster** : A pressurised pre-filter that doubles the cleaning performance of any filter system
3. **Bioforce Revolution** : A new pressurised pond filter that guarantees clear and healthy water, whilst making pond maintenance quick and easy. No more dirty hands, no more squeezing clogged foam blocks, the customer simply winds the handle to clean

Contents:

- 4 Innovation
- 6 Hose Storage Systems
- 11 Hose
- 13 Garden Pumps
- 13 Water Saving Products
- 14 Fittings
- 18 Hose End
- 20 Sprinklers
- 22 Brushes
- 23 Automatic Watering
- 28 Sprayers
- 32 Sprayer Accessories
- 35 Aquatics

Flexi Spray - Bend it! Flex it! Love it!

The all new Flexi Spray is an exciting, innovative multi-purpose hose end attachment designed to perform a range of watering functions. It has been specifically designed for gardeners looking for an all-in-one watering solution.

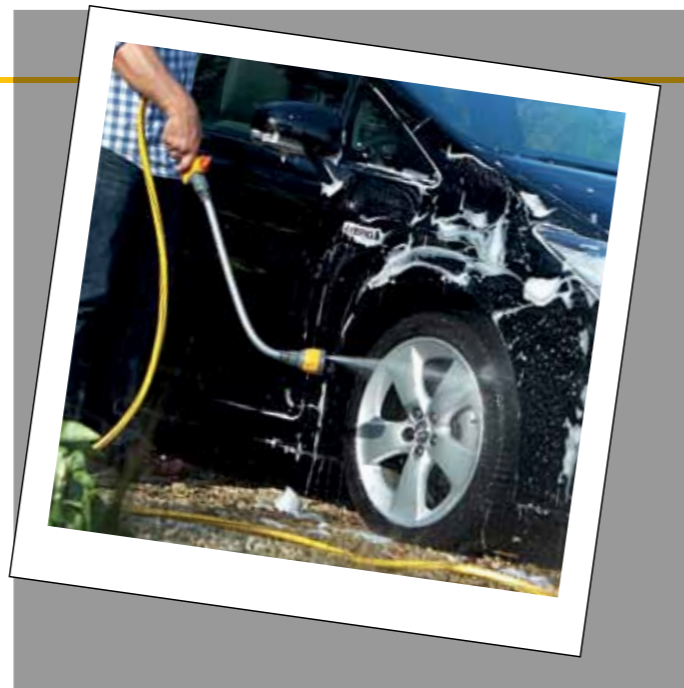

Innovation & Design

Every feature of the Flexi Spray has been designed and crafted with the consumer in mind. The handle is ergonomically sculptured to fit perfectly in the hand, providing comfortable and easy watering. The 3 stage trigger, combined with the flow control, gives consumers complete control of water delivery, meaning happily watered plants and minimal water wastage.

The magic of the Flexi Spray happens in the flexible hose section. With its bendable core and double wall hose system, the Flexi Spray can be moulded to an array of shapes to meet a range of watering needs. Combining the mouldable hose and the four function feature head it enables consumers to water anything they want, any way they want!

Sprinkler :

- Easily coil the Flexi Spray and it effectively turns into a sprinkler covering up to 69m²

Long Reach :

- Straightening out the device allows the Flexi Spray to become the perfect hanging basket waterer.

Hands Free Watering :

- For the occasion when you need to give a specific plant or area a good watering the device can be moulded and left all on its own.

Spray Gun :

- It is also a spray gun complete with rose, jet and fast fill functions.

Packaging :

Flexi Spray is supplied in clear and waterproof outdoor ready packaging. It's available in a wide variety of formats including peg hung, shelf ready, and off fixture.

The Ultimate Hose - the best by any measure

For where only the best will do. Super Tricoflex™ technology creates a lightweight, anti-kink and anti-twist hose without compromising on robustness. Its silky texture allows it to glide smoothly through the garden, easily manoeuvre and effortlessly wind onto a system without any fuss. It's made from a unique formula that combines both UV and frost protection so this hose is built to last in any weather conditions.

The hose is 100% free of phthalate plasticisers, and heavy metals. For 2013 it is presented in new patented packaging that allows gardeners to take the all-important touch test, whilst allowing new merchandising solutions.

Growbag Waterer – grow like an expert

The easiest way to grow plants in growbags. No pipes, no timers, no fuss.

It features a large capacity 15 litre reservoir that will keep plants hydrated for up to 14 days and help novice

and experienced gardeners alike achieve great results.

Ready, Steady, Grow... with ease

Water is delivered directly to the plants roots using capillary matting spikes and is drawn from the reservoir as and when it is needed to keep the plants constantly hydrated and minimise water wastage.

The watering spikes allow the user to locate the growbag on the base and in a single action pierce the bag and engage the capillary matting ready to get growing.

The integral water level indicator and cane supports create a solid frame for the plants to grow against.

Flower & Vegetable Waterer

Anybody can grow veggies or plants, regardless of their garden size. Simply fill the large decorative trough with compost, plant up, fill the base with water for success.

Packaging

Both products will be supplied in robust waterproof packaging to enable the products to be merchandised outside alongside growbags for link sale opportunities and supported with a range of outdoor point of sale material to explain the consumer benefits.

hose storage

- 2392 - Universal Hose Guide**
 - Guides the hose around a wall or corner of a building
- 2360 - 30m Hose Hanger**
 - Wall mounted hanger and storage unit for 30m of 12.5mm hose
- 2430 - Micro Reel with 10m Hose**
 - Wall mounted or free standing
 - Includes 10m of 9mm hose
 - Includes 1 x Spray gun, 1 x 9mm hose connector, 1 x 9mm waterstop connector, 1 x 3/4"/1/2" tap connector
- 2383 - Hose Box with 15m hose**
 - Enclosed and free standing
 - Includes 15m of 12.5mm Maxi Plus hose
 - Includes 1 x nozzle, 2 x hose connectors, 1 x waterstop, 1 x 3/4"/1/2" tap connector
- 2390 - 60m Wall Mounted Reel (not shown)**
 - Wall mounted hose reel
- 2382 - Hose Box with 20m hose**
 - Enclosed and freestanding
 - Includes 20m of 12.5mm Maxi Plus hose
 - Includes 1 x nozzle, 2 x hose connectors, 1 x waterstop, 1 x 3/4"/1/2" tap connector
- 2410 - 30m Hose Reel (not shown)**

watering solutions

- 2810 - Growbag Waterer**
- 4 capillary water spikes – delivers water from 15 litre reservoir directly to plant roots
 - Integrated water level indicator and quick refill access point
 - Base includes three vertical bamboo cane holders

- 2811 - Flower & Vegetable Waterer**
- Decorative 30 litre trough planter
 - 4 capillary water spikes – deliver water from 15 litre reservoir directly to plant roots
 - Integrated water level indicator and quick refill access point
 - Base includes three vertical bamboo cane holders

auto watering

- 2150 - 4-Way Tap Connector**
- Creates four outlets from a single tap
 - Can be wall mounted
 - Includes 2 x hose connectors and wall fixings

- 2289 - 3/4" Accessory adaptor**
- 3/4" BSP (G3/4)

- 2760 - Pressure Reducer**
- Reduces tap water pressure to 1.5bar (20psi) for optimum performance
 - 3/4" BSP (G3/4) inlet, 13mm or 4mm outlet

auto watering

∅ 13mm

2764 - 25m of 13mm Supply Hose
- Highly flexible, UV stable, central supply tube

2765 - Flow Control Valve - 13mm
- In-line 13mm valve shuts off or adjusts the flow in the 13mm supply tube

2766 - 90° Elbow Connector - 13mm
- For making 90° turns in the 13mm supply tube

2767 - T piece - 13mm
- For branching the 13mm supply tube

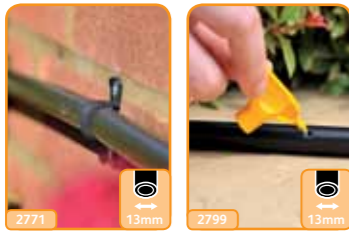

2768 - Straight Connector - 13mm
- For extending the 13mm supply tube

2769 - End Plug - 13mm
- For closing off the 13mm supply tube

2779 - Blanking Plug - 13mm
- Seals holes in the 13mm supply tube

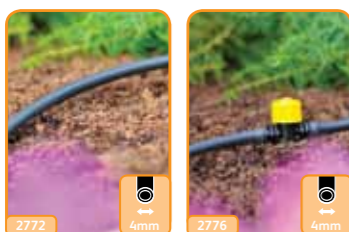

2770 - Stake - 13mm
- Holds the supply tube in position

2771 - Wall Clip - 13mm
- Secures supply tube to walls or fences

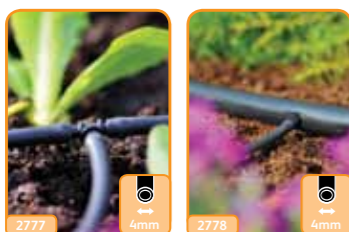

2799 - Hole Punch
- Punches holes in supply tube and dismantles micro jets

∅ 4mm

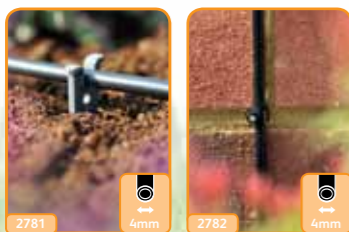

2772 - 10m 4mm Hose
- Small bore tubing used to supply individual plants
- Highly flexible and UV stable

2776 - Flow Control Valve - 4mm
- In-line 4mm valve shuts off or adjusts the flow in the 4mm supply tube

2777 - T piece - 4mm
- For branching the 4mm supply tube

2778 - Straight Connector - 4mm
- For joining micro tube to supply tube, or two lengths of micro hose / micro soaker hose

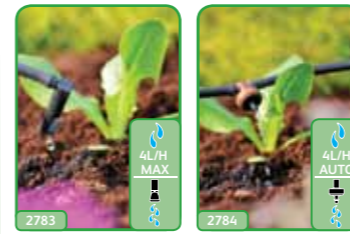

2781 - Stake - 4mm
- Holds the micro tube in position

2782 - Wall Clip - 4mm
- Secures micro tube to walls or fences

C - drippers

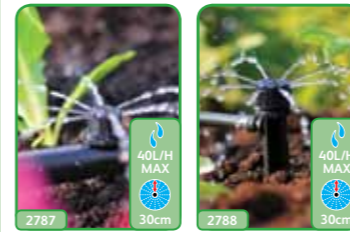

2783 - 4 LPH End of line Dripper
- Simple dripper that provides fixed 4LPH at 1.5bar

2784 - 4 LPH In-Line Pressure Compensating Dripper
- Self regulating dripper giving a constant 4LPH regardless of water pressure
- For in-line use

2785 - 4 LPH End of Line Pressure Compensating Dripper
- Self regulating dripper giving a constant 4LPH regardless of water pressure
- For end of line use

2786 - In-line Adjustable Mini Sprinkler (0-40LPH)
- Mini sprinkler with adjustable flow for in-line use

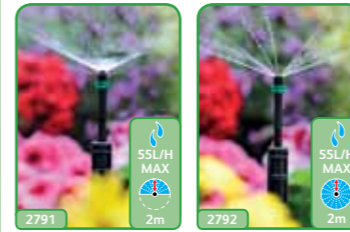

2787 - End of Line Adjustable Mini Sprinkler (0-40LPH)
- Mini sprinkler with adjustable flow for end of line use

2788 - End of Line Adjustable Mini Sprinkler on Stake (0-40LPH)
- Adjustable sprinkler mounted on a 12cm stake complete with 4mm tube adaptor

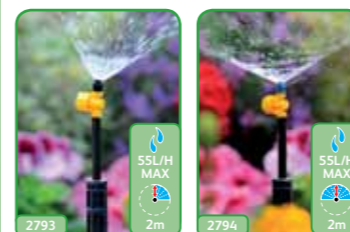

2789 - High Spike
- Combines with any of the micro jet sprinklers to raise the spray pattern up to 35cm

2790 - 90° Micro Jet
- Produces ¼ circle spray pattern

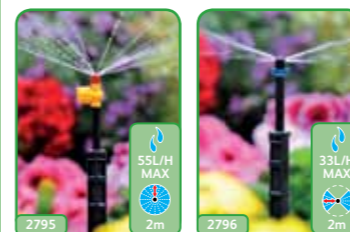

2791 - 180° Micro Jet
- Produces semi circle spray pattern

2792 360° Micro Jet
- Produces full circle spray pattern

2793 - 90° Adjustable Micro Jet
- Adjustable flow ¼ circle micro jet

2794 - 180° Adjustable Micro Jet
- Adjustable flow ½ circle micro jet

2795 - 360° Adjustable Micro Jet
- Adjustable flow full circle micro jet

2796 - Strip Micro Jet
- Produces narrow elongated spray pattern

2797 - Mister Micro Jet
- Produces a fine concentrated mist

2798 - 360° Mini Sprinkler
- Adjustable flow, rotating, full circle sprinkler

automatic watering kits

- 2816 - Water Butt Container Watering Kit**
- Complete gravity fed kit for watering up to 15 plants in pots and containers
 - 10m of supply tube, 10m of micro tube, 15 adjustable drippers and fittings to connect directly to most water butts

- 2817 - Water Butt Border Watering Kit**
- Complete gravity fed kit for watering flower borders and vegetable patches
 - Contains 15m of supply hose, 15m of porous hose and fittings to connect directly to most water butts

automatic watering kits - PLUS

- 2754 - 15 Pot Watering Kit**
- Complete watering kit for a hedge up to 7.5m long or 15 container plants
 - Contains pressure reducer, 15m x 4mm hose, 10 x 4mm wall clips & stakes, 15 drippers and connectors

- 2755 - 20 Pot Watering Kit**
- Complete watering kit for a hedge up to 10m or 20 container plants
 - Contains pressure reducer, 15m x 13mm supply tube, 10m x 4mm micro tubing, 5 x 13mm wall clips, 5 x 4mm wall clips, 10 x 13mm stakes, 10 x 4mm stakes, 20 x pressure compensating drippers and connectors

- 2822 - Greenhouse Watering Kit**
- Easy to install watering kit for greenhouse plants. Waters up to 10 plants.
 - Contains pressure reducer, 20m x 4mm hose, 10 x 4mm stakes, 2 x Aquapod's (10 drippers)

automatic watering kits - PRO

- 2756 - 20 Pot Automatic Watering Kit**
- Complete automatic watering kit for a hedge up to 10m long or 20 container plants
 - Contains AC Plus water computer, pressure reducer, 15m x 13mm hose, 10m x 4mm hose, 5 x 4mm wall clips & 10 x 4mm stakes, 20 x drippers and connectors

- 2823 - Automatic Holiday Watering Kit**
- Easy to install automatic holiday watering kit for patio plants. Waters up to 10 plants.
 - Contains AC Plus water computer, pressure reducer, 20m x 4mm hose, 10 x 4mm stakes, 2 x Aquapod's (10 drippers)

electronic water timers

- 2705 - AC Water Timer**
- Electronic water computer with dial programming
 - Offers watering options from once per week up to four times per day (13 pre set programs)
 - 1" BSP (G1) / 3/4" BSP (G3/4) / 1/2" BSP (G1/2) tap connectors

electronic watering timer - PLUS

- 2700 - AC Water Timer Plus**
- Electronic water timer with dial and button programming
 - Allows selection of current time, watering start time, watering frequency, and watering duration. Allows programs from once per week up to four times per day
 - 1" BSP (G1) / 3/4" BSP (G3/4) / 1/2" BSP (G1/2) tap connectors

electronic watering timer - PRO

- 2703 - AC Water Timer Pro & Rain Sensor**
- Sophisticated, versatile and easy to program digital water computer. Easy to conserve water by linking to remote rain sensor supplied
 - Four methods of programming : one touch, 13 pre set programs, interactive watering wizard, or set up to 28 different programs using Watering manager
 - 1" BSP (G1) / 3/4" BSP (G3/4) / 1/2" BSP (G1/2) tap connectors. 10m of cable and wall fixings for rain sensor

- 2701 - AC Water Timer Pro**

sprayers

Sprayers - STANDARD (TRIGGER)

4120 - 0.5 Litre Spraymist Trigger Sprayer

- Small trigger sprayer for indoor use
- Translucent, graduated bottle
- Nozzle adjustment from fine jet to mist

4121 - 1.0 Litre Spraymist Trigger Sprayer

- Medium trigger sprayer for indoor use
- Translucent, graduated bottle
- Nozzle adjustment from fine jet to mist

4122 - 1.25 Litre Spraymist Pressure Sprayer

- Pressure sprayer for indoor use
- Easy to pressurise pump
- Nozzle adjustment from fine jet to mist
- 2 year guarantee

Sprayers - STANDARD

The Hozelock pressure sprayer range provide easy, accurate and cost effective application of water, insecticides, pesticides, fungicides and water-soluble fertilisers.

4123 - Hozelock 1.5 Litre Pressure Sprayer (not shown)

- Small pressure sprayer for outdoor use
- Nozzle adjustment from jet to mist
- Integrated pressure release valve
- 1 year guarantee

4505 - Hozelock 5 Litre Pressure Sprayer

- Last Drop Technology
- Translucent, graduated bottle for accurate chemical mixing and dosing
- Wide, ergonomic pump handle for easy pressurisation
- 1 year guarantee

4507 - Hozelock 7 Litre Pressure Sprayer

- Last Drop Technology
- Translucent, graduated bottle for accurate chemical mixing and dosing
- Wide, ergonomic pump handle for easy pressurisation
- 1 year guarantee

4510 - Hozelock 10 Litre Pressure Sprayer

- Last Drop Technology
- Translucent, graduated bottle for accurate chemical mixing and dosing
- Wide, ergonomic pump handle for easy pressurisation
- 1 year guarantee

Sprayers - PLUS

The Plus pressure sprayer range has been created with the gardener in mind. Wide base foot rests to increase stability in use, a vertical lance holder, carry strap and lockable on/off flow control trigger with unbreakable fibreglass lance make this sprayer a garden essential.

4705 - Hozelock 5 Litre Pressure Sprayer - Plus

- Dosing cap & contents indicator
- All tools and hose stored on board
- Lockable on/off flow control for continuous spraying
- 3 year guarantee

4707 - Hozelock 7 Litre Pressure Sprayer - Plus

- Dosing cap & contents indicator
- All tools and hose stored on board
- Lockable on/off flow control for continuous spraying
- 3 year guarantee

4710 - Hozelock 10 Litre Pressure Sprayer - Plus

- Dosing cap & contents indicator
- All tools and hose stored on board
- Lockable on/off flow control for continuous spraying
- 3 year guarantee

4712 - Hozelock 12 Litre Pressure Sprayer - Plus

- Specifically designed for spraying larger areas
- Contoured container, shaped to comfortably fit the operator's back
- Lockable on/off flow control for continuous spraying
- 3 year guarantee

4716 - Hozelock 16 Litre Pressure Sprayer - Plus

- Specifically designed for spraying larger areas
- Contoured container, shaped to comfortably fit the operator's back
- Covers up to 360m²
- 3 year guarantee

Sprayers - PRO

The Pro pressure sprayer range has been designed for those looking for best in class performance. The features of these sprayers make them a joy to use, incorporating a number of features such as a large comfortable trigger with on/off and internal filter to prevent blockages, 3-in-1 strap so the sprayer can be worn in 3 ways and metal nozzle for extra strength and long life.

4805 - Hozelock 5 Litre Sprayer - Pro

- Heavy duty metal pump shaft and nozzle, for extra strength and long life
- Includes Viton, fluoroelastomer seals, for enhanced durability
- Telescopic lance for extra reach (50-85cm)
- Complete with weedkiller cone and fan spray nozzle to prevent spray drift when using weedkiller treatments
- 5 year guarantee

4807 - Hozelock 7 Litre Sprayer - Pro

- Heavy duty metal pump shaft and nozzle, for extra strength and long life
- Includes Viton, fluoroelastomer seals, for enhanced durability
- Telescopic lance for extra reach (50-85cm)
