

Key Benefits:

On-board accessory storage

Lance and trigger holster for compact storage and ease of use

Telescopic handle

Aluminium telescopic handle for easy transportation and space-saving storage

Full mobility

Fully mobile with twin carrier handles for easy transportation

Quick Connect system

Quick Connect release on both ends of the high-pressure hose to easily fit onto the new style trigger gun and unit making a kinked hose a thing of the past

Accessories

Product	Description	
Chassis cleaner	Cleans and protects the underside of your vehicle from the highly corrosive combination of salt and water. Tackles all vehicle heights from 11cm to 38cm for Sports Cars to 4x4s.	
Deluxe wide brush	Particularly suitable for cleaning cars, caravans, boats, conservatories. Fast surface cleaning time due to a large width of 248mm.	
Foam nozzle (0.3l)	Produces intense foam for the effortless cleaning of all surfaces such as vehicle paintwork, glass and stone. Also suitable for the application of care agents and protection treatments.	
7.5m/15m Pipe cleaning kit	Clears blocked pipes and drains. Four backwards firing high-pressure jets propel the hose into the pipe and clear the blockage.	
PS 40 Power Scrubber	PS 40 power scrubber with three integrated high-pressure nozzles. Powerful cleaning action removes stubborn dirt from surfaces quickly and easily. Ideal for stairs and edges.	
Telescopic lance	Ideal for high pressure cleaning of high walls and facades. Telescopic spray lance with a range of up to 4m. With convenient shoulder strap and built-in gun.	
Multi-power iet	Spray lance with 5 different spray types for cleaning a variety of surfaces.
