

**Yellow is the new green.  
Properly clean: Kärcher's eco!ogic.**

The path is the goal in striving for sustainability. To Kärcher this means innovative solutions which go hand-in-hand with responsibility for people and their environment. eco!ogic is our contribution to an environmentally friendly future that does not sacrifice performance. Follow us on our green path at [www.kaercher.com/ecologic](http://www.kaercher.com/ecologic)

**makes a difference**
