The world's **Leading Technology...**  
in the world's **Leading Torches**

## The Brand

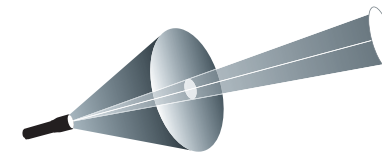

Optimum performance and supreme reliability are the hallmarks of every award-winning LED Lenser® hand-held torch and head lamp. The light of choice for Professionals, Emergency Services, Search & Rescue teams and Outdoor Enthusiasts in over 50 countries, each lighting instrument combines world renowned German engineering and state-of-the-art technologies to deliver a light that is simply awesome.

Range features and benefits (may vary according to specific model):

- Exceptional, scientifically measured lumen outputs combined with longer run times and effective distances
- Class leading CREE® superior quality LEDs
- Robust, yet lightweight aircraft-grade aluminium housings
- Patented 'Advanced Focus System®' optics – instant spot to flood beam selection
- 'Smart Light Technology™' multi-function light and energy consumption control technology
- Single-handed 'Speed Focus'
- Multi-option 'Dynamic Switch'
- Gold plated contacts for better conductivity
- Water and dust resistant modular construction

## Technology

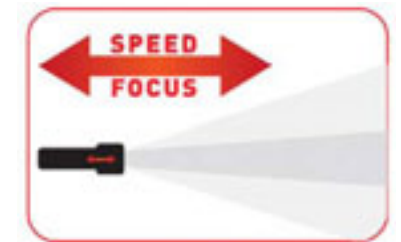

Advanced Focus System  
EU Patent 1800139

### Advanced Focus System®

The Advanced Focus System® combines reflector and lens in a patented application which allows for stage-less transition from a circular flood beam to a sharply focused spot beam. Black spots or dark rings common in inferior torches are eliminated by this unique technology. The Advanced Focus System® creates a clear bright homogenous light from flood to spot beam and everywhere in-between.

### Speed Focus™

Developed to make optimum use of the patented Advanced Focus System®, Speed Focus™ allows smooth, single-handed focusing transition. Flood to spot beam and back again in an instant without the need for two handed twist head focusing.

### Smart Light Technology™

Different situations and environments call for versatility of light output. Smart Light Technology™ (SLT) was developed to provide this versatility. At the core of this technology is a pre-programmed computer chip. This intelligent micro-processor enables ultimate control over the torch's energy consumption, lighting programs and light functions. Two energy modes (Energy Saving, Constant Current), three light programs (Professional, Easy, Defence) and up to eight light functions (Morse, Boost, Power, Low Power, Dim, Blink, SOS, Strobe) are selected by the intuitive push of a single push-button switch. Smarter technology for smarter torches.

“The best torch that I have ever owned.”

N. Edwards

“Shone a beam over the car like a search helicopter!!”

R. Boone

“The torch is quite simply awesome!”

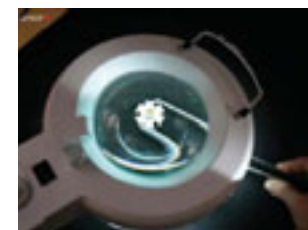

R. Mitchell

“Thanks for a brilliant bit of kit.”

Sgt P.B. (Camp Bastion, Afghanistan)

### Floating Charge System™

A torch has never been so easy to recharge. Charger and torch are connected by the invisible forces of magnetism. Batteries do not need to be removed from the torch and placed in separate recharging units thus the possibility of dust or dirt contaminating the battery compartment is eliminated. As the batteries stay in the torch whilst recharging the torch is available for immediate use when required. Supreme contact charging.

E&OE. Content correct at time of publication. May change without notification.

# New Products

## LED LENSER® drives innovation

The job of a market leader is to lead.

That is exactly what we have done with the introduction of a variety of new handheld torches and head lamps featuring state-of-the-art technologies. Some, like the P7.2 and the H7.2, are popular lines that we have upgraded to improve performance, efficiency and comfort. Others such as the F1, M17R and P17R showcase technological superiority whilst launches such as the SEO Head Lamp Series are totally ground breaking in all aspects. The German engineering that is the hallmark of every LED LENSER® shines bright in every one of these superb lighting masterpieces.

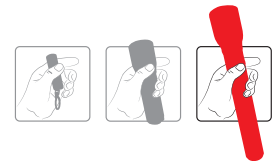

Lighting instruments for professionals.

## LED LENSER® M17R

**Type:** Handheld - **RECHARGEABLE**  
**Size:** 300 x 53mm  
**Weight:** 740gms  
**Power supply:** Safety Ytrion Battery

Code	Colour	Packaging
<b>8317R</b>	Black	Case

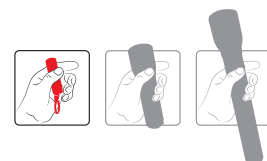

## LED LENSER® F1

**Type:** Handheld  
**Size:** 88 x 27mm  
**Weight:** 69gms  
**Power supply:** CR123A Battery

Code	Colour	Packaging
<b>8701</b>	Black	Gift Box

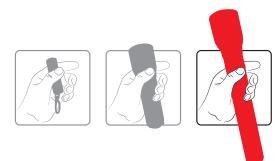

## LED LENSER® P17R

**Type:** Handheld - **RECHARGEABLE**  
**Size:** 300 x 53mm  
**Weight:** 740gms  
**Power supply:** Safety Ytrion Battery

Code	Colour	Packaging
<b>8417R</b>	Black	Gift Box

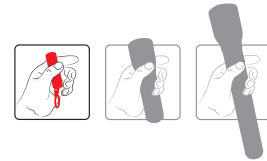

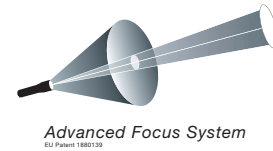

## LED LENSER® P5.2

**Type:** Handheld  
**Size:** 113 x 26mm  
**Weight:** 79gms  
**Power supply:** AA Alkaline Battery

Code	Colour	Packaging
9405	Black	Gift Box
9405TP	Black	Test-It

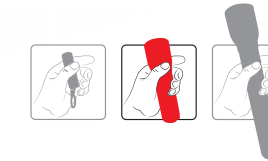

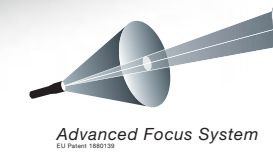

## LED LENSER® P7.2

**Type:** Handheld  
**Size:** 130 x 37mm  
**Weight:** 175gms  
**Power supply:** 4 x AAA Alkaline Batteries

Code	Colour	Packaging
9407	Black	Gift Box
9407TP	Black	Test-It

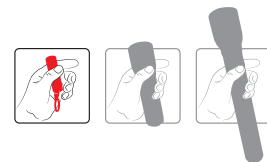

## LED LENSER® P5R.2

**Type:** Handheld - RECHARGEABLE  
**Size:** 117 x 26mm  
**Weight:** 77gms  
**Power supply:** L-ion Battery

Code	Colour	Packaging
9405R	Black	Case
9405RTP	Black	Test-It

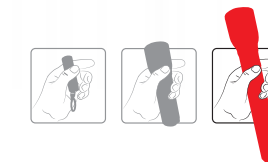

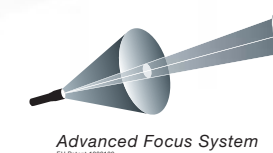

## LED LENSER® P14.2

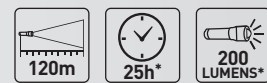

**Type:** Handheld  
**Size:** 197 x 47mm  
**Weight:** 357gms  
**Power supply:** 4 x AA Alkaline Batteries

Code	Colour	Packaging
9414	Black	Gift Box
9414TP	Black	Test-It

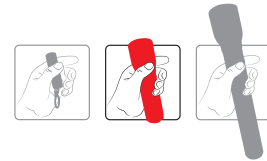

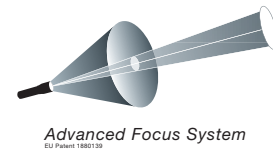

## LED LENSER® P6.2

**Type:** Handheld  
**Size:** 163 x 26mm  
**Weight:** 116gms  
**Power supply:** 2 x AA Alkaline Batteries

Code	Colour	Packaging
9406	Black	Gift Box
9406TP	Black	Test-It

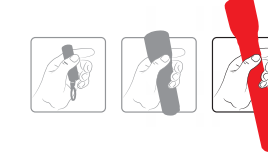

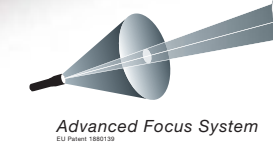

## LED LENSER® P17.2

**Type:** Handheld  
**Size:** 306 x 53.5mm  
**Weight:** 773gms  
**Power supply:** 3 x D Alkaline Batteries

Code	Colour	Packaging
9417	Black	Gift Box

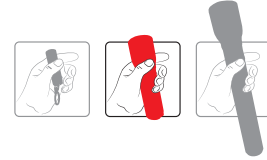

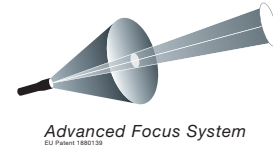

## LED LENSER® T7.2

**Type:** Handheld  
**Size:** 130 x 37mm  
**Weight:** 175gms  
**Power supply:** 4 x AAA Alkaline Batteries

Code	Colour	Packaging
9807	Black	Gift Box
9807TP	Black	Test-It

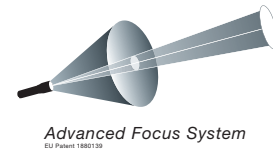

## LED LENSER® X21.2

**Type:** Handheld  
**Size:** 397 x 95.5mm  
**Weight:** 1400gms  
**Power supply:** 4 x D Alkaline Batteries

Code	Colour	Packaging
9421	Matt Black	Case

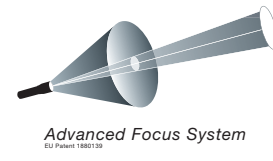

## LED LENSER® X21R.2

**Type:** Handheld - RECHARGEABLE  
**Size:** 402 x 95.5mm  
**Weight:** 1300gms  
**Power supply:** Safety Yitron Battery

Code	Colour	Packaging
9421R	Matt Black	Case

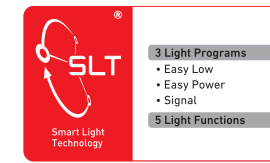

## LED LENSER® H7.2

**Type:** Head Lamp  
**Size:** -  
**Weight:** 164gms  
**Power supply:** 4 x AAA Alkaline Batteries

Code	Colour	Packaging
7297	Black	Box
7297TP	Black	Test-It

## LED LENSER® H7R.2

**Type:** Head Lamp - RECHARGEABLE  
**Size:** -  
**Weight:** 164gms  
**Power supply:** L-ion Battery Pack

Code	Colour	Packaging
7298	Black	Box
7298TP	Black	Test-It

## LED LENSER® H14.2

**Type:** Head Lamp  
**Size:** -  
**Weight:** 340gms  
**Power supply:** 4 x AA Alkaline Batteries

Code	Colour	Packaging
7299	Black	Box
7299BP	Black	Test-It

## LED LENSER® H14R.2

**Type:** Head Lamp - RECHARGEABLE  
**Size:** -  
**Weight:** 340gms  
**Power supply:** L-ion Battery Pack

Code	Colour	Packaging
7299R	Black	Box

# SEO Head Lamp

## Series

LED Lenser® SEO head lamps have been meticulously designed to stand out from the crowd.

These robust, perfectly calibrated lighting instruments instantly appeal to the confident, active enthusiasts who demand the very best. Each head lamp in the series effortlessly combines serious lighting performance, eye-catching award winning design and world renowned technologies. Superior high powered red and white LEDs are integrated into each SEO model enabling the option of bright white homogenous light or a red light to protect night vision. Every SEO head lamp is precisely weighted to ensure maximum comfort.

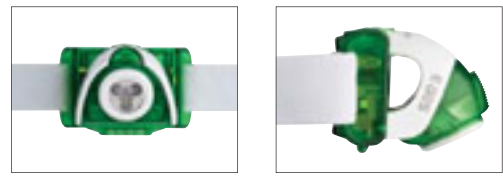

**LED Lenser® SEO – Spirit, Emotion, Originality.**

### LED LENSER® SEO 3

**Type:** Head Lamp  
**Size:** -  
**Weight:** 96gms  
**Power supply:** 3 x AAA Alkaline Batteries

Code	Colour	Packaging
6103	Green	Test-It

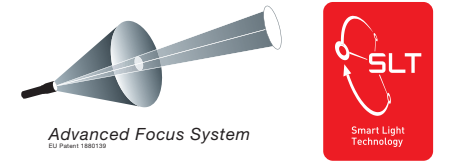

### LED LENSER® SEO 5

**Type:** Head Lamp  
**Size:** -  
**Weight:** 105gms  
**Power supply:** 3 x AAA Alkaline Batteries

Code	Colour	Packaging
6106	Red	Test-It

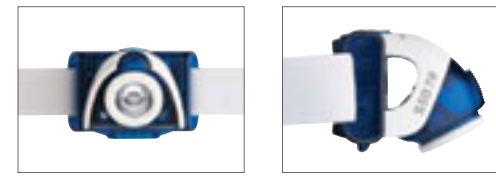

### LED LENSER® SEO 7R

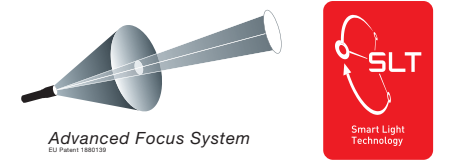

**Type:** Head Lamp - RECHARGEABLE  
**Size:** -  
**Weight:** 105gms  
**Power supply:** L-ion Rechargeable Battery

Code	Colour	Packaging
6107R	Blue	Test-It

**OPTISENSE Technology**

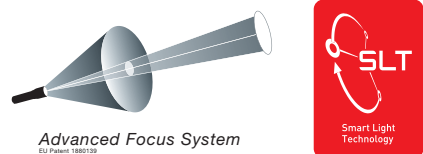

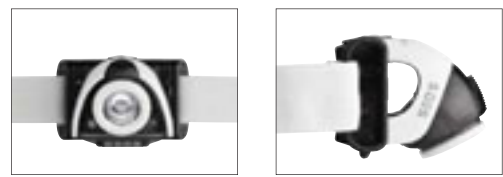

### LED LENSER® SEO 5

**Type:** Head Lamp  
**Size:** -  
**Weight:** 105gms  
**Power supply:** 3 x AAA Alkaline Batteries

Code	Colour	Packaging
6105	Black	Test-It

### LED LENSER® SEO Accessories

Code	Product
7784	L-ion Rechargeable Battery
0389	Charging cable for L-ion Battery
0373	Headstrap Green
0375	Headstrap Black
0376	Headstrap Red
0377	Headstrap Blue

All accessories fit all SEO models.

## Key-Ring

# Series

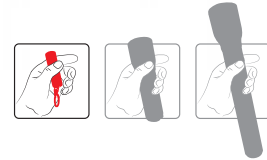

### Small in size but not in performance.

A tough anodised titanium or black finish covers precisely engineered aircraft-grade aluminium, giving this fashionable range of key-ring torches a very distinctive styling. This smart look is complemented on the K1L with a 'Light-Ring' feature that glows when the light is on. These super lightweight torches are ideal for key-rings, handbags and car glove boxes.

**The perfect LED Lenser® to keep on you at all times.**

## LED LENSER® V8

**Type:** Key-Ring  
**Size:** 72 x 14mm  
**Weight:** 22gms  
**Power supply:** 3 x AG13 Batteries

Code	Colour	Packaging
<b>7563</b>	Titanium	Test-It Box

## LED LENSER® V9

**Type:** Key-Ring  
**Size:** 53 x 9.5mm  
**Weight:** 11gms  
**Power supply:** 4 x AG3 Batteries

Code	Colour	Packaging
<b>7613</b>	Titanium	Test-It Box

## LED LENSER® K1

**Type:** Key-Ring  
**Size:** 44 x 10mm  
**Weight:** 7.5gms  
**Power supply:** 4 x AG3 Batteries

Code	Colour	Packaging
<b>8251</b>	Black	Blister

## LED LENSER® K1L

**Type:** Key-Ring  
**Size:** 48 x 10mm  
**Weight:** 10.3gms  
**Power supply:** 4 x AG3 Batteries

Code	Colour	Packaging
<b>8251L</b>	Black	Blister

## LED LENSER® K2

**Type:** Key-Ring  
**Size:** 60 x 14mm  
**Weight:** 20gms  
**Power supply:** 4 x AG13 Batteries

Code	Colour	Packaging
<b>8252</b>	Black	Blister
<b>8252DO</b>	Black	POS 18s [Outdoor]
<b>8252DA</b>	Black	POS 18s [Auto]

## LED LENSER® K3

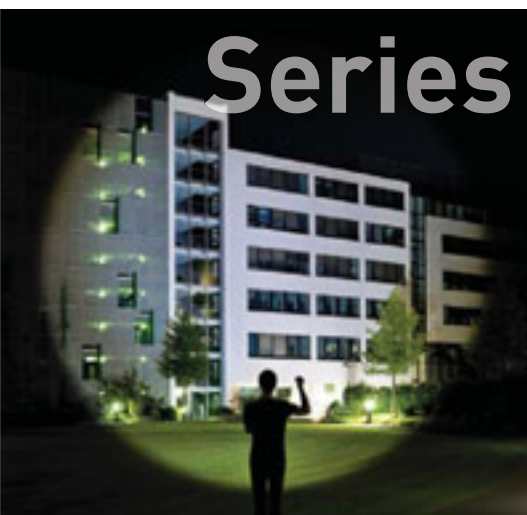

**Type:** Key-Ring  
**Size:** 68 x 20mm  
**Weight:** 34gms  
**Power supply:** 4 x AG13 Batteries

Code	Colour	Packaging
<b>8313</b>	Black	Gift Box
<b>8313TP</b>	Black	Test-It
<b>8313G</b>	Titanium	Gift Box
<b>8313GTP</b>	Titanium	Test-It

\*Burn time measured in lowest light output of torch. Lumens measured in highest light output of torch.

# Multi-Function

# Series

## Light 'tailoring' to suit your needs.

Different situations and environments call for the ability to choose precisely the light needed. That's why our engineers created Smart Light Technology™. Embedded at the heart of each torch is a smart micro-chip that allows the user to select various lighting options, in many cases up to eight, including Morse, Boost, Power, Low Power, Dim, Blink, SOS and Defense Strobe. Additionally, most torches in the Multi-Function Series also feature the ability to regulate the power usage; Energy Saving to optimise burn time and Constant Current to optimise lumen output. Now that really is user friendly lighting.

**Smarter torches, smarter lighting, smarter technology.**

## LED LENSER® M1

**Type:** Handheld  
**Size:** 97 x 23.5mm  
**Weight:** 76gms  
**Power supply:** CR123 Lithium Battery

Code	Colour	Packaging
8301	Black	Gift Box

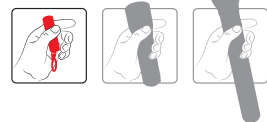

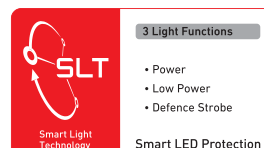

## LED LENSER® M5

**Type:** Handheld  
**Size:** 110 x 21.5mm  
**Weight:** 72gms  
**Power supply:** AA Alkaline Battery

Code	Colour	Packaging
8305	Black	Gift Box

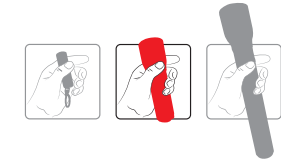

## LED LENSER® M7

**Type:** Handheld  
**Size:** 137 x 37mm  
**Weight:** 196gms  
**Power supply:** 4 x AAA Alkaline Batteries

Code	Colour	Packaging
8307	Black	Gift Box

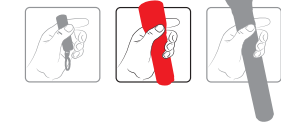

## LED LENSER® MT7

**Type:** Handheld  
**Size:** 134 x 37mm  
**Weight:** 193gms  
**Power supply:** 4 x AAA Alkaline Batteries

Code	Colour	Packaging
8307T	Black	Gift Box

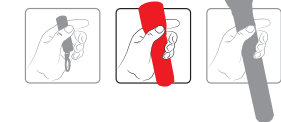

## LED LENSER® M8

**Type:** Handheld  
**Size:** 158 x 37mm  
**Weight:** 159gms  
**Power supply:** 2 x CR123 Lithium Batteries

Code	Colour	Packaging
8308	Black	Gift Box

\*Burn time measured in lowest light output of torch. Lumens measured in highest light output of torch.

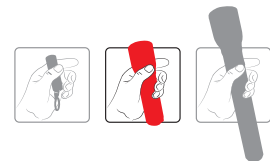

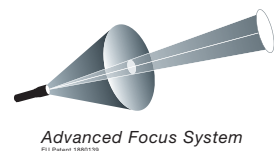

## LED LENSER® M7R

**Type:** Handheld - **RECHARGEABLE**  
**Size:** 156 x 37mm  
**Weight:** 203gms  
**Power supply:** L-ion Battery

Code	Colour	Packaging
<b>8407R</b>	Black	Case

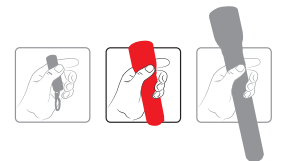

## LED LENSER® M7R X

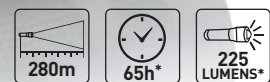

**Type:** Handheld - **RECHARGEABLE**  
**Size:** 156 x 37mm  
**Weight:** 208gms  
**Power supply:** L-ion Battery

Code	Colour	Packaging
<b>8307RX</b>	Black	Case

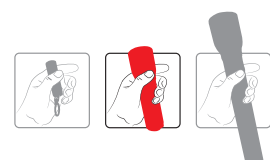

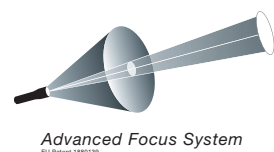

## LED LENSER® M14

**Type:** Handheld  
**Size:** 163 x 47mm  
**Weight:** 355gms  
**Power supply:** 4 x AA Alkaline Batteries

Code	Colour	Packaging
<b>8314</b>	Black	Gift Box

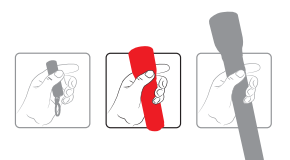

## LED LENSER® M14 X

**Type:** Handheld  
**Size:** 162 x 47mm  
**Weight:** 365gms  
**Power supply:** 4 x AA Alkaline Batteries

Code	Colour	Packaging
<b>8314X</b>	Black	Gift Box

\*Burn time measured in lowest light output of torch. Lumens measured in highest light output of torch.

# Professional

## Simply stylish, lighting engineered to perform.

Professionals appreciate clear illumination, reliability and robustness. Our most popular torch selection delivers all three in abundance. Available in a variety of sizes, from pocket to heavy-duty, and brightness levels to suit any job whether large or small, these torches perform relentlessly.

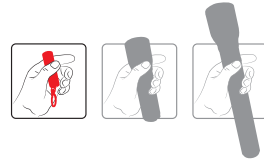

The majority also feature our world renowned patented Advanced Focus System® optics for flawless flood or intense spot beam options.

### Brilliant all-round professional illumination.

## LED LENSER® P2BM

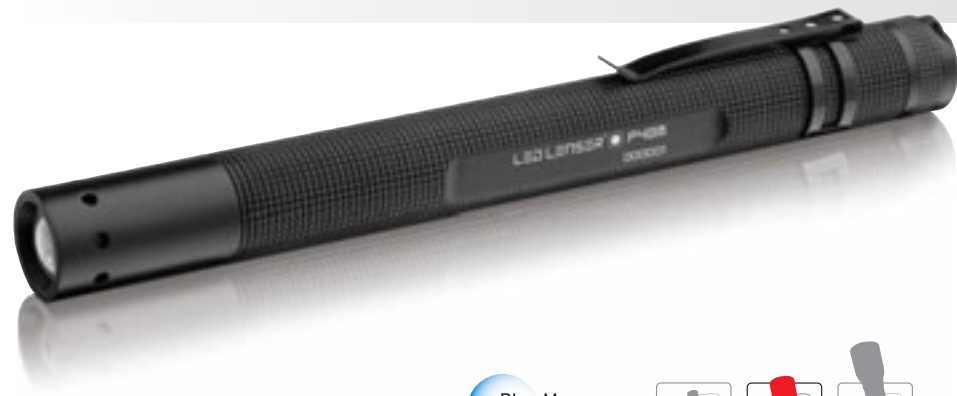

Blue Moon Focus System

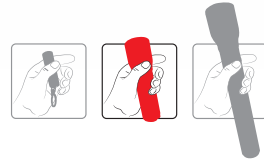

**Type:** Handheld  
**Size:** 102 x 15.5mm  
**Weight:** 36gms  
**Power supply:** AAA Alkaline Battery

Code	Colour	Packaging
8402	Black	Gift Box
8402TP	Black	Test-It

## LED LENSER® P4BM

Blue Moon Focus System

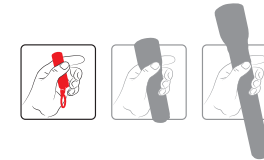

**Type:** Handheld  
**Size:** 146 x 14.5mm  
**Weight:** 53gms  
**Power supply:** 2 x AAA Alkaline Batteries

Code	Colour	Packaging

Active

### Active torches for an active lifestyle.

Our Active Series of torches are as diverse as the activities and pastimes that they can be used to enjoy. From polycarbonate housing on the L-series offering superior temperature resistance in very cold or very hot locations like up a mountain or in a desert, to lamping torch kits and diving torches; this varied range illuminates like no other.

**Superior lighting to rely on.**

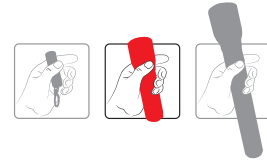

## LED LENSER® Police Tech Focus Kit

Police Tech Focus Torch with Pressure Sensitive Switch and Gun Mount

**Type:** Handheld  
**Size:** 126 x 32mm  
**Weight:** 144gms

# SEO Head Lamp

## Series

LED Lenser® SEO head lamps have been meticulously designed to stand out from the crowd.

These robust, perfectly calibrated lighting instruments instantly appeal to the confident, active enthusiasts who demand the very best. Each head lamp in the series effortlessly combines serious lighting performance, eye-catching award winning design and world renowned technologies. Superior high powered red and white LEDs are integrated into each SEO model enabling the option of bright white homogenous light or a red light to protect night vision. Every SEO head lamp is precisely weighted to ensure maximum comfort.

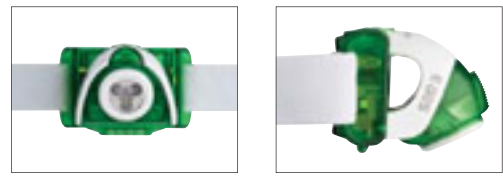

**LED Lenser® SEO – Spirit, Emotion, Originality.**
