

**LED LENSER® H3**   
 Triumvirate with dimmable light

dimmable

swivelling

LED	3 x High End LED
Weight	119 g
Luminous flux	60 lm*
Batteries	3 x AAA 1,5 V
Energy tank	5,4 Wh
Burning life	62 h**
Beam distance	31 m*

Technical Data

The exceptional brightness of modern high-performance LEDs has a drawback: an unpleasant dazzling effect if you try to read by LED light. We developed a potentiometer (dimmer) that is part of the battery box and provides optimal brightness management. The lamp head can be swivelled within an angle of 90°.

Included in delivery: batteries, pouch

**Item No. 7493**  
**Blister No. 7865**

\* Luminous flux (lumens) resp. max. beam distance (meters) in the brightest function when switching on with new set of fresh alkaline batteries. Average values, may vary ± 15% depending on type of chip and batteries.  
 \*\* Average hours of burning life as measured in the least energy-consuming mode and until residual luminous flux amounts to 1 lumen.
