

Without compromising on performance the Ryobi 4 Stroke range offers hassle free and lightweight tools, with reduced engine noise and low vibration levels.

TURN ONE POWER UNIT INTO NINE TOOLS

Simply connect any Expand-it™ attachment to the power unit, using the quick release mechanism, and within seconds you have a brand new garden power tool.

Cost effective, convenient and easy to store, just look out for the Expand-it™ logo on our products.

THE LIGHTEST 4 STROKE GARDEN TOOLS IN THEIR CLASS

new

NEW LIGHTWEIGHT 4 STROKE PETROL POWER GARDEN TOOLS

Using revolutionary compact engine technology, Ryobi have redefined the 4 stroke engine. Just as light and no larger than a standard 2 stroke, but all the benefits of a 4 stroke machine.

- No need to mix petrol and oil
- Responsive power exactly where you need it

LINE TRIMMER & BRUSH CUTTERS

With no need to mix fuel and oil, and a lightweight 4 stroke engine, these tools are mess free and easy to use.
