

Unique Click-in Guide Fingers:

Through Dovetails

Use Angled Pin Guides to cut 'Pin' pieces with the straight cutter. The choice of Pin Guide Angle is dictated by the thickness of the pin piece.

Use Common Tail Guides to cut 'Tail' pieces with the dovetail cutter.

Lapped Dovetails

Use Lapped Pin Guides to cut 'Pin' pieces with the dovetail cutter.

Use Common Tail Guides to cut 'Tail' pieces with the dovetail cutter.
