

STAIRCASE HOUSING

Router not included.

These template jigs are a well proven means of routing out stair housings quickly and accurately.

- Constructed from hard wearing solid laminate and includes a reversible fence for exact matching of stair strings and fully adjustable nosing piece (STAIR/A).
- Built-in heavy duty front clamp for quick clamping for each trench. Unique to Trend jigs.
- Adjustable to suit private and common stair angle pitch.
- Standard TCT dovetail cutters are offered for various tread thicknesses for the closed riser staircase jig (STAIR/A). The open riser staircase jig (STAIR/B), incorporates a stub riser to conform with building regulations.
- Sub-base is pre-drilled to suit Trend/Dewalt/Elu 1/2" routers, for other makes the sub-base will have to be re-drilled. Please state make and model when ordering.
- All heavy duty routers over 1600 watts can be used.

STAIR/A _____ **£139.00**

(Closed Riser)

STAIR/B _____ **£139.00**

(Open Riser)

Replacement Parts:
