

ROUTASKETCH

International PCT application No. PCT/GB01/02290
Patent No. GB2371013

Allows a light duty router to rout freehand words, sketched drawings, sign writing and engravings by simply following a line drawing.

- Constructed from ABS injected plastic with metal rods.
- Adjustable height to suit router.
- Suits all light duty routers with 1/4" and 8mm shank collets.
- Requires one quick action clamp to secure drawing support stand.
