

PERFECT BUTT™

Patent No. GB0322930.9
Design Reg. Applied For

NEW

The world's fastest profile scriber. It completes traditional scribing chores with precision, speed and ease.

- Includes:**
- 1 x Pencil
 - 1 x Body
 - 1 x 29mmØ Wheel
 - 1 x 50mmØ Wheel
 - 1 x 70mmØ Wheel
 - 1 x 90mmØ Wheel

The Perfect Butt was designed to overcome a problem frequently encountered by tradesman and enthusiasts alike when scribing work surfaces, flooring, shelves etc. into uneven surfaces and awkward areas.

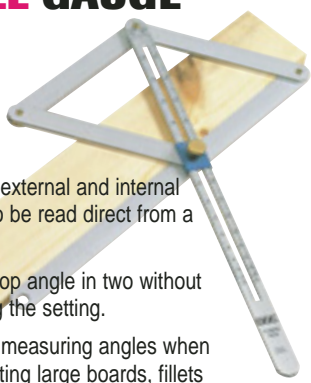

- Quick and easy to use by remaining stable whilst scribing directly onto work-surfaces.
- It works by running a wheeled scribe unit along an irregular feature.
- The sprung pencil in its centre will accurately copy the profile directly onto the work-piece to be installed.
- It can then be cut and fitted to the surface resulting in a perfect butt!
- Four sizes of quick fit track wheels to cope with a variety of situations.

M/PB01

£25.50

ANGLE GAUGE

- Enables external and internal angles to be read direct from a scale.
- Divides top angle in two without changing the setting.
- Ideal for measuring angles when mitre cutting large boards, fillets and architraves.

A/GAUGE £40.50
